Meeting with Head BBNDA

Ganpati Educational Society recently had a really productive sit-down with the head honcho of BBNDA in Baddi, Solan. We talked about how to best help out special needs kids all over Solan District in Himachal Pradesh. The CEO was super receptive to what we're trying to do, showing real excitement about lending support for the cause of these kids in the area through the support of CSR initiative. She assured that her organization is fully committed to offering as much help as they can, within their means.

This collaboration is going to make a huge difference in the educational chances and support services available to special needs kids throughout the district. This partnership is a big leap forward in making sure schools are inclusive and that every child gets the specialized care and attention they need to thrive.

"Solan District Leads Nation in Legal Guardianship Support for Specially Abled Children"

Ganpati Educational Society participated in the National Trust meeting chaired by the District Collector, Solan, Himachal Pradesh. As the Local Level Committee (LLC) NGO, a list of 11 people requiring Legal Guardianship support for the specially abled was presented. The committee approved the list. The District Collector instructed the concerned Block Welfare Officers and DIET to support Ganpati Educational Society.

The Committee approved Ganpati Educational Society as the LLC NGO for the next three years, with the current period ending on June 6th, 2025. Awareness programs for Legal Guardianship of mentally challenged children will be organized at the Block Level by Ganpati Educational Society, which will also provide Block Resource Persons for this purpose. The Director of Ganpati Educational Society informed the committee that Solan District has achieved the number 1 rank across Himachal Pradesh providing Legal Guardians to mentally challenged children. The meeting concluded with a vote of thanks to all participants.
