Impactful Sickle Cell Awareness Session Conducted by Ganpati Educational Society

The Regional CRC Centre in Sundernagar, Himachal Pradesh, put on a really impactful event for World Sickle Cell Awareness Day at the Day Care Centre of Ganpati Educational Society in Kunihar, Arki Block, Solan District. The program was designed for specially-abled children, their dedicated teachers, and their concerned parents. Experts, Psychologist Dr. Sonu and Nurse Dr. Bhanupriya, gave informative presentations. More than 100 people participated actively in this important health awareness drive. Dr. Roshan Lal, the Director of Ganpati Educational Society, warmly welcomed the meaningful contribution from the CRC Sundernagar team towards community health education. This joint effort successfully helped raise awareness about managing and preventing sickle cell disease among vulnerable groups.

Special Olympics Champions Honored by Himachal Pradesh Governor

Captain Avneesh Kaundal of the Indian basketball team, along with his coach Mr. Raj Pal, led the squad to a gold medal triumph at the Special Summer Olympics in Berlin, Germany, back in 2023. Meanwhile, floorball player Ms. Riya Sharma brought home a bronze medal from the Special Winter Olympics held in Turin, Italy, in 2025. These truly remarkable athletes, who were nurtured by Ganpati Educational Society, received special recognition during an event on June 4th, 2025. They were honored by

Mr. Shiv Pratap Shukla, the Governor of Himachal Pradesh. The ceremony was also attended by the esteemed Dr. Mallika Nadda, Chairperson of the Asia Pacific Advisory Council (APAC) and President of Special Olympics Bharat. This celebration truly shines a light on their incredible accomplishments and their truly inspiring journey in international adaptive sports.
