GES Conducts Road Safety and Awareness Program for Local Schools

Ganapati Educational Society (GES) recently organized an impactful event focusing on Road Safety and related crucial topics for schools in Solan District. The program, held at Dumehar and Jadli Senior Secondary Schools, was conducted under the auspices of Dabur India Ltd.

Dr. Roshan Lal Sharma, Director of GES, led the proceedings, delivering comprehensive deliberations on:

- Road Safety
- Disaster Management
- Environment Conservation
- Drug Abuse Prevention

The event saw enthusiastic participation from students of classes 9-12, along with school staff and principals. This initiative

underscores GES's commitment to holistic education and community awareness on vital social issues.

GES Director Attends Crucial District Level Committee Meeting

On September 17, 2024, Dr. Roshan Lal, Director of Ganpati Educational Society, participated in the District Level Committee meeting for specially abled people. The meeting, chaired by Additional District Collector of Solan, Sh. Ajay Yadav, brought together key officials to discuss important matters concerning differently challenged individuals.

Attendees included Dr. Shalini (Representative, Chief Medical Officer), Dr. Shiv Kumar (District Planning Officer), and Shri Gavan Singhe Negi (District Welfare Officer). The committee focused on the critical role of Support Persons for the differently challenged.

A significant outcome was the decision regarding Support Persons for seven individuals across the blocks of Kausauli, Arki, and Nalagarh. This meeting underscores the ongoing commitment to improving support systems for specially abled people in the district.
